Chamber Music Boise is thrilled to announce the launch of *Tuttle House Concerts*, a new chamber music series presented in partnership with Tuttle House at St. Michael's Episcopal Cathedral and Idaho Concerts in Care.

We invite you to join us for a series of intimate, hour-long performances that explore the depth and beauty of chamber music. Each program offers a thoughtfully curated experience—featuring beloved masterworks, contemporary compositions, and hidden gems—designed to inspire and deepen an appreciation for this rich and expressive art form.

Following each concert, please join us for complimentary refreshments and the opportunity to meet the musicians, connect with fellow music lovers, and be part of a warm, welcoming, arts-inspired community.

The Tuttle House Concerts will also feature “Inside Chamber Music with Bradley Berg”  
Join Bradley Berg and Chamber Music Boise musicians for the insight, stories and investigations,  
into the chamber music masterworks.

There is a suggested Donation of \$30 for adults. All students and children attend for free. All proceeds go directly to the musicians and Concert in Care.

We look forward to sharing these special evenings with you!
